

# It's not our debt!

**This is what \$11 trillion looks like in \$100 bills. There is a man at the bottom left corner for scale. \$11 trillion is the U.S. National Debt. THIS DOES NOT INCLUDE THE \$23.7 trillion in BAILOUTS given to the banks!**

**ARRESTING THE BANKSTERS** and returning to sound money under the US Constitution can NULLIFY this arbitrary and fictitious debt!
